

Build it and they will come...

Meet the Man whose company proves this

Denis Wagner
Director

Wagner Corporation Pty Ltd

Built the Toowoomba Wellcamp Airport within 19 months with no government funding.

"We needed better transport links to attract tenants for our business park, so we built an airport, an international one."

- Toowoomba Wellcamp Airport flies freight, including fresh produce, into Asia each week.
- Recently announced site for the new QANTAS pilot training facility.
- Direct Passenger flights to Sydney and Melbourne.

“With the right project, people and plan we have proven that you can significantly build your business and region.”

- Denis Wagner
