ABOUT THE GUIDE

The 2022 Yeppoon & Capricorn Coast Insider's Guide (A5) is a primary piece of marketing collateral produced by Capricorn Enterprise and it is the official tourism and lifestyle guide for the Capricorn Coast Destination. The 2022 Guide represents all of the Capricorn Coast precincts (including Rockhampton) and is intended for tactical use to disperse visitors/customers throughout our region and increase their length of stay.

WHAT'S NEW IN 2022?

→ *MORE User Generated Content (UGC)!*

Capturing the attention of today's savvy travelers requires a more dynamic and personalized approach. The 2021 edition of the guide was received very well, showcasing imagery that is almost entirely (top quality) User Generated Content (i.e. images from Instagram, etc)! This popular imagery will continue in the 2022 brochure and will allow visitors to see the beauty of our destination through the eyes of other travelers.

→ *MORE pages = more content!*

Due to the popularity of the content in the 2020/21 guide we are increasing the 2022 page count by at least an additional 4 – 8 pages. The guide will keep all the existing popular content including **Food Tips, Must See Art, Most Shareable Photo Spots, Beach Menu**, etc and add extra content for **Taste Capricorn Coast**, and **Live Capricorn Coast**.
